To
Sri. N. Seetha Rama Reddy,
Honourable Minister,
For Land Revenue,
Government of Madras,
MADRAS.

Respected Sir,

Sub:-Grant of lands to Political sufferers.

I am a Political sufferer in 1941 with my wife in North Vizag(CHICACOLE)although we are natives of Mangalore.

After the announcement of granting lands to the sufferers we both applied In Mangalore District first but we were not given anything there. Hence after our changihg residence to Rayadrug Bellary District a couple of years back. I have addressed the Collector many a time without any endorsement and my personal interview with him became fruitless.

Having disguested to see or to write to him again and again I am now approaching you to consider our matter at your earliest convenience to enable us to have the dry land applied for (in Kalagode and Maremmapalli)villages of Rayadrug Taluk to cultivate in the next season. Here also some are enjoying food for the last one or two years whereas we are the only unfortunate to the loss

I once again request you to take necessary steps considering our poor state and do the needful at an early date.

Yours Faithfully
Y.H.Subba Rao

Memo. No. 2405 F/52-2 dated 4.3.52

Land - (S. Kanara) Grant to Political sufferers Petition from Sri. Y. N. Subba Rao and his wife - Request for grant of lands in Bellary

From Sri. Y. N. Subba Rao and his wife dated 28.12.51.

From The Board of Rev. Lr. No. J. 457/52 of 14.2.52

The Govt. ~~see no reason~~ to interfere in the matter ~~The petition is directed to the Collector of Bellary for assignment of lands~~ The petition is rejected.

2. The Collr is requested to dispose of the petition on its merits.

To A.S. :

Please see the Petition on Page 1 CF, the minutes of H.M. (L.R.) on Page 1 CF, the memo on P2 CF and the Board's report and its enclosure on PP 1-4 CF.

2. The Petitioner has represented that himself and his wife are political sufferers and that they applied for lands in South Kanara Dt. but had not been granted lands. Subsequently they shifted to Bellary Dt and applied for lands in the Bellary Dt and so far they had not been granted any lands. He requests that they may be granted lands at an early date.

3 A report was called for from the Collector through the Board. The Collector's and the Board's report are on PP. 5-6 CF and P. 4 CF respectively and may be perused. The Collrs report on PP. 5-6 gives a full history of the case. It is seen from his report that both the Petitioner and his wife were assigned lands in South Kanara and as they requested the Collr. to cancel the same, the same was cancelled by the Collr. The Collr. has also reported

Sufferers In the circumstances it is for orders whether the Collr of Bellary may be asked to grant the Petitioner and his wife lands at Bellary after taking a declaration from them that they had not been granted lands at any other ~~place and (2) whether in view of the fact that they had applied to take up the lands they had been assigned and had relinquished their claims for lands under the Scheme, their request may be regarded~~

18.1.32

The P. was never only suppressed the fact of assignment and its subsequent cancellation in the Court Kacheri but also deliberately misled me & false wood that himself and his wife were not given any lands on that date & also in 1918 generally not for cancelling the assignments already made and granting other lands to some persons concerned. The only point however is the Collr of Sir. did cancel the assignments already made the pet and his wife any lands now for grants or
